

WORKSMAN CYCLES 2008 CRUISER FACTORY DIRECT PRICE LIST

Worksmen Cycles introduces the **"Design Your Own Cruiser"** program! Now you can choose EXACTLY how you want your Worksmen Cruiser to be built! You choose the frame, components, options and upgrades to create your own bike with it's own individual personality! To place an order, call the Worksmen Cycles Sales Department and make a selection from each category shown below. Choose Worksmen and ride your own unique creation!

- All Model "SC" Worksmen heavy duty cruisers feature our exclusive Worksmen Clincher rims (50% thicker than any other brand), .120" spokes (11 gauge), fully lugged, heavy-gauge, hand-made frames, 1/2x3/16" chains (50% thicker than regular bike chain), 3/16" front sprockets, WTC Sup-r-Tires and so much more. They are built very much like our world-famous industrial cruisers. **Price: \$299**

- All Model "LC" Worksmen light duty cruisers feature 26" x 1.75" rims and white wall-tires, .080" spokes (14 gauge), fully lugged, heavy-gauge, hand-made frames, 1/2x1/8" chains, and 1/8" front sprockets. *(Men's frames have single top-tubes – not shown.)* **Price: \$229**

Worksmen Classic Cruiser Base Models: All base models include a Shimano E110 Coaster Brake, 24" handlebar, and a padded 10" seat with springs. It is a great bike just the way it is!
