

Worksman Cycles Bicycle Parking Racks

WTCBRFD price list May 2011

Bicycles are a serious form of transportation, and encouraging their safe use is important to us at Worksman Cycles. Keeping bikes organized while offering proper parking options helps encourage the use of bicycles while improving safety. We offer a complete line of American made quality parking racks.

Premier Series Features

- Our nuts-and-bolts commercial rack.
- Indefatigable even in the highest traffic areas.
- Five to eighteen bike capacity.
- Comes in single and double sided units to park bikes on one or both sides.
- Accommodates both wide and narrow tires.
- Electroplated in a chromate solution with Ultra Seal finish (10x more weather-resistance than galvanization) applied after welding.
- Welded unitized grid.
- Can be anchored in lawns, concrete, or asphalt using Anchors #6257 and #6258 (sold separately).

<u>Model #</u>	<u>Description</u>	<u>#Bikes</u>	<u>OAL"</u>	<u>OAW"</u>	<u>HT"</u>	<u>OA Space Req</u>	<u>Price</u>
56R5SF-6207	Single Side	5	62	26	31	71x72	\$436.99
56R5-6205	Double Side	10	62	38	31	71x127	\$459.99
56R10SF-6203	Single Side	9	111	26	31	120x72	\$540.99
