

# WORKSMAN 2012 "ATLANTIC COAST" / SURREY DEALER PRICE LIST

**ATLANTIC COAST CRUISERS** – Atlantic Coast Cruisers are the ultimate cruisers, designed specifically for beachfront environments and year-round, rental use. Atlantic Coast Cruisers are extremely popular at seashore bicycle rental locations, as well as in the garages of countless people who simply want a strong, durable, and simple bicycle. With their gracefully curved cantilever frames, they look great, are fun to ride, and are extremely rust resistant! Standard features include:

- Full Bar Foam Comfort Grips
- Alloy Pillow Block Stem
- Alloy Rims
- Stainless Steel 105-Gauge Spokes
- Wide White-Wall Tires
- Puncture Resistant Tubes
- Alloy Front Hub
- Rust Resistant Anodized Crank and Sprocket
- Alloy Kickstand
- Shimano Coaster (Foot) Brake (CB)
- Aluminum Seat Post
- Rust-Buster Chain
- Super Comfort Padded Double-Coil Velo Saddle
- Alloy Barefoot Sure-Grip Pedals
- Quick-Adjust Seatpost
- Quality Powder-Coated Paint Finish
- Sealed Bearings
- Painted Chainguard

MODEL	DESCRIPTION	FRAME SIZE	BRAKE	UPS	PRICE
ACA	Atlantic Coast Cruiser (26") with Mens Cantilever Frame	19"	CB	YES	\$239
ACAL	Atlantic Coast Cruiser (26") with Ladies Cruiser Frame	17"	CB	YES	\$239

Please call for color and model availability. Standard colors are subject to change with the latest color trends.

**THE ATLANTIC COAST INDUSTRIAL DURA-BIKE** – The Dura-Bike is very similar to the Atlantic Coast Cruiser, but in addition to the features listed above, it also features a standard Safety-Yellow paint color, black-wall tires, and dent-proof black plastic fenders. These additional features make it the perfect choice for industrial applications where bicycles are used to transport personnel, saving valuable time and money compared to motorized vehicles or walking. (Shown above w/ whitewall tires.)
