

# WORKSMAN CYCLES 2012 "DESIGN YOUR OWN BIKE" PRICE LIST

Now you can choose EXACTLY how you want your Worksman bicycle to be built! You choose the frame, components, options and upgrades to create your own bike with its own individual personality! To place an order, call the Worksman Cycles Sales Department and make a selection from each category shown below. Choose Worksman and ride your own unique creation!

- Model "SC" Worksman heavy duty cruisers feature our exclusive chrome Worksman Clincher rims (50% thicker than other brands), .120" spokes (11 gauge), fully lugged, heavy-gauge, double top-tube, hand-made frames, 1/2x3/16" chains (50% thicker than regular bike chain), 3/16" front sprockets, blackwall WTC Sup-r-Tires and so much more. They are built like our world-famous industrial cruisers. **Price: \$339 (Add \$10 for 20")**

- Model "LC" Worksman light duty touring bikes feature standard chrome 26" x 1.75" rims and white wall-tires, .080" spokes (14 gauge), fully lugged, heavy-gauge, single top-tube hand-made frames, 1/2x1/8" chains, and 1/8" front sprockets. **Price: \$299 (Add \$10 for 20")**
